

## Curriculum Enrichments...

### Year 2 visit to Brooklands Motor Museum

The children had a great day out at Brooklands. They took part in a 'Journeys on Land' workshop where they explored a collection of old cars, bicycles, a Penny Farthing and Formula One racing cars to find out just how varied the materials we use to build land transport can be. They also visited the Bus Museum and Aircraft Factory.

### Chinese New Year Celebrations

This week, we have been celebrating and learning about Chinese New Year and how 2025 is the Year of the Snake!

### Year 5&6

Children in Tigers class have worked really hard on their assessments this week and should be proud of the progress they are making.

In Panthers and Lions, children have been looking at Anglo-Saxon artefacts and sieving the sand to retrieve them. Next week, we are looking forward to making some Anglo-Saxon style brooches out of clay.
