World Book Day 2025!

We have all had such a lovely time sharing our favourite stories for World Book Day this year.

Reminder - Parent Survey

Last week you should have all received a letter regarding our annual parent/carer surveys. The survey should take no more than 15 minutes to complete and provides an opportunity for you to share your views on what is working well and where we can make improvements.

The survey is completely anonymous and will help us to understand what matters most to you and your child.

The letter can be found here: [Parent Survey Letter](#) and the survey can be completed via this link: <https://edurio.com/teacher/poll/UEXzwh>

Year 1 Walk around Great Hollands

Last Thursday Foxes class went for a walk around Great Hollands as part of their Pride in Place topic. The children were able to point out and talk about the key features of Great Hollands and were able to say what made them proud of where they lived. We would like to say a huge thank to the parents who helped us with the walk.

Year 2

To kick start their new topic, Year 2 have explored the theme of animals through the music 'The Carnival of the Animals' by Camille Saint-Saëns. The children had lots of fun moving and dancing around the classroom, responding to the music, and trying

to guess which animal was being represented in each piece of music. They also had the opportunity to compose their own piece of music based on an animal of their choice.

Healthy Living Workshop

The year 3's continued their healthy eating project this week, they have begun to create artwork for an exhibition in the Summer Term

Year 3&4 Planting and Growing

In Years 3 and 4 we have been learning about plants and what they need to grow. We have planted bulbs, investigated what a plant needs to grow and can explain how water is transported through the plants. We have had so much fun!

Thank you for your continued support, if you have feedback on any part of what we do at GHPS please do share it with us.

Have a lovely weekend.
